Secretary/Registrar

C.C:-

1. President PVMC.
2. Convener, PVMC A&E Committee.

Recommendations:-

13. Keeping in view the flow of capital towards its establishment and hiring of sufficient strength of faculty, with arrangement/procurement of furniture and fixtures, sufficient space and availability of farmed animals, the Faculty of Veterinary and Animal Sciences, Ziauddin University, Karachi, is recommended for its establishment and to initiate process of starting Five Years DVM Degree Program only with the admission of forty students initially for a period of one year which may be extended upon the recommendation of A&E Committee during subsequent visits. Should the administration of the University feel that Faculty be visited before one year for accreditation, it may request PVMC for the same.
